Chain Marketing

We are also offering work from home and part time work opportunity to our customers.

Now housewives, beauticians, teachers, photographers, sales persons, students can also earn money by doing it as a free time activity.

What is chain marketing concept: In this one person has to make chain of 10 members by selling them 10 products each without spending a single rupee or if anybody purchase any item from our website and don't want to be a chain member then also products will be counted in your account.. And after you make 10 products under you then from 11th product you will start getting commission on number of product or quantity of product basics.

How chain can be formed:

1. You have to message or Email on following Mobile No. 9813304123 Email ID customersupport@jodhpurmegamart.com

Detail: Full Name

City State

Address

Mobile No.

*Also attach valid ID proof

- Driving License
- Voter ID
- PAN Card No.

- Passport Size Photo
2. You have to promote website to your family, friends and neighbors etc.
 3. If suppose from your link or contact somebody purchase any item from our website then you will start earning points after getting 10 points on 11th point you will get commission that depends upon Number of products or quantity of product.
 4. And you can also explain this chain marketing concept to the customers from your reference those who are purchasing from our website they can also earn from this.
 5. If you are able to cross 10 members or items then you will be registered as our chain team member.

How to promote website

We will provide you Our profile detail and our website and facebook page link. Only a simple process you have to do share about companies profile and link to your friends, Family and neighbors through facebook, LinkedIn, Yahooemail ID, gmail ID, Rediff ID or any other ID or you can form a whatsapp group then share this detail.

- Note:**
1. Please convey to every member to whom you send this detail that if anybody purchase any item from our website then in description column they must write your name and city detail so that, we can track that how many members have purchased from your link.
 2. And you can do 1 more thing on every purchase of any item from your reference you can mail us the customer name and city so by this also we can do tracking of your reference link.

So start making chain and target to become our chain member without spending a single rupee and start getting money with exciting surprises.

Terms & Conditions

1. We are not forcing any one to be a part of chain marketing this is the only opportunity to make money from home.
2. This doesn't imply that you have to make the 10 members or sale 10 products. In this strictly you have to make sale of 10 products.
3. You can explain this concept to the person who purchase any item from our website through your reference it is not mandatory that they also became the part of chain marketing.
4. After getting 10 points or 10 products sale from 11th point or product you will start getting commission.
5. *Commission is totally vary from products to products Like in Appraels category you can earn commission on per product basis, on bangles you can earn commission on sale of set of 4 different bangles and on eatables you can earn commission on sale of 5 kg only.

6. We will ask your bank detail only when you have earned 11 points by making 11 product sales because from now onwards you will start getting commission *. And for online transfer of commission to your account we need bank detail.
7. Whatever product we are showing that will be available like that only.
8. You don't have to entertain any queries or complain from the customer, we are solely liable for that.
9. You can become the member of "Jodhpur Mega Mart" chain marketing only after earning 10 points. We are not liable to pay you any commission on sale of 10 products.
